Good morning, I am so sorry to bother you with a couple of questions. What would be the delivery

address for the fuel, and this next one, I can call and ask myself so you wouldn't have to, the fuel tanks, are they gravity filled or pump filled?

If you would rather me ask the last question, I would just need a contact so I may call them.

Thank you again,

Good afternoon,

Please find the answers to your questions below.

1. Can you provide estimated annual/monthly usage for fuel?
Estimated annual purchase: Diesel – 50,000 gals
Gas – 25,000 gals
2. Are taxes to be included in the profit margin? If so, what are the County's Federal and State/Local exemptions?
Caldwell County is a local government and therefore tax-exempt. I have included our Tax Exempt Certificate for your records.
