

# NOTICE

**The Hunt County Clerk's Office is now in a *live* environment for Permissive e-filing of Civil/Probate cases.**

**This means you *may* e-file civil or probate records with the Hunt County Clerk at this time through [efileTexas.gov](http://efileTexas.gov)**

*Please be aware, there is a \$2.00 fee added to our regular filing fees for e-filed records.*

**You are not required to e-file until  
July 1, 2015.**

You are asking for your patience as we become accustomed to this new environment and for your assistance as we move forward to the Mandate of Civil/Probate e-filing.
