PRESS RELEASE

FOR IMMEDIATE RELEASE

From: Hunt County Judge

Date: 1/11/2021, 8:00pm

**Re: 53 New Positive COVID-19 Test Results in Hunt County
and One New Death**

53 new positive test results for COVID-19 were reported in Hunt County on January 8, 2021, along with one new death. The Hunt County Health Department completed an initial investigation and determined that the individuals in question reside in Hunt County. The general information for the 53 new patients is on the following pages. Hunt County will include up-to-date hospital numbers in the daily report.

The new death was tracked patient 4360 – a 50-64 Male from 75402.

Each day, the County will release and post on its website a new set of numbers and charts showing the total number of cases, including the status and ZIP Codes of those cases. The state's website includes a map which may be accessed at "dshs.state.tx.us/coronavirus" by clicking on the "Texas Case Counts" link.

The State's COVID-19 fatality numbers for Hunt County exceed the locally-reported numbers of deaths. The State's reporting can be accessed by clicking on "Fatalities over Time by County" on www.dshs.state.tx.us/coronavirus/additionaldata. As of today, the state shows 96 COVID-19 fatalities of Hunt County residents. This divergence is due to the way the State calculates COVID-19 deaths, which in part uses death certificate information not yet available to the County. When Hunt County releases its morning reports, it will show the number of State-reported deaths (96), the number of death certificates filed with the County Clerk's office (including deaths of non-county residents) (84), and the number of county-citizen deaths that the County Health Department has been able to independently confirm (50).
