Re: One New Positive COVID-19 Test Result in Hunt County

One new positive test result for COVID-19 was reported in Hunt County on May 31, 2020. The Hunt County Health Department completed an initial investigation and determined that the individual in question resides in Hunt County. The general information for the patient is as follows:

Tracked Case #92 – Female, aged 31-49, ZIP Code 75453,
hospitalized.

Because three of the earlier Tracked Cases were either outside of the County or tested negative, there have been a total of 89 positive cases of Hunt County residents.

Each morning, the County will release and post on its website a new set of numbers and charts showing the total number of cases, including the status and ZIP Codes of those cases. The state's website includes a map which may be accessed at "dshs.state.tx.us/coronavirus" by clicking on the "Texas Case Counts" link.
