IN THE COUNTY COURT

AT LAW NO. 2 OF

HUNT COUNTY, TEXAS

ORDER CLOSING GUARDIANSHIP OF ESTATE ONLY

The Court reviewed the Guardianship of the Estate of _____, herein referred to as Ward. After hearing evidence concerning the Guardianship of the Estate of the Ward, the Court **FINDS** the following:

- (1) Ward's estate is exhausted,
- (2) the foreseeable income accruing to the Ward or the Ward's Estate is so negligible that maintaining the Guardianship of the Estate in force would be burdensome,
- (3) for other reasons that a Guardianship of the Estate of the Ward is no longer necessary,
- (4) the filing of any past due accounting or inventory would not serve to protect the interests of the Ward, and
- (5) the filing of the Guardian's verified final account would not serve to protect the interests of the Ward.

Therefore, the Court waives the filing of any past due accountings or inventories. The Court further waives the filing of the Guardian's verified final account. The Court **ORDERS** the Guardianship of the Estate of the Ward is **CLOSED** and any part of the Estate that remains in the Guardian's possession be delivered to Ward.

This Order does not affect the Guardianship of the Person of the Ward, if a Guardianship of the Person of the Ward exists.
