### OCCUPATIONAL DRIVER'S LICENSE HEARING BY SUBMISSION

An Attorney who, in addition to satisfying all statutory requirements regarding the filing of an application for an occupational driver's license, has filed the Court's *Applicant's Affidavit for Occupational Driver's License* with all necessary attachments thereto, may set the application for hearing by submission.

If the basis for the suspension is listed in Section 521.243 of the Transportation Code, Applicant must notice the attorney representing the State of the request for hearing by submission and the hearing date.

Do not submit a proposed Order. The Court will issue its own Order.

The form *Applicant's Affidavit for Occupational Driver's License* may be found on the Court's website.

Sincerely,

Judge Joel D. Littlefield
