Ordering a New Prescription

On the Home Delivery main page members need to click “Fill New Prescriptions”

In this section:

- Doctor’s info
- Prescription Info
- Shipping option
- Optional Additional or Special Comments

The screenshot displays the Costco Home Delivery Pharmacy interface. At the top, a banner for 'Home Delivery' features a smiling delivery person and the text 'Fill your prescription online and have it delivered to your home'. To the right, a 'Manage Prescriptions' menu is visible, with the 'Fill New Prescriptions' option circled in red and an arrow pointing to it. Below the banner, several service tiles are shown, including 'Full Service Travel Immunization Program', 'Auto-Refill Program', 'The Path to a Healthy Heart', 'Medicare Plan Finder', 'Warehouse Pickup', 'Customer Service', 'CDIABETES.com', 'Health & Wellness Clinics', 'Pet Medications', and 'Patient Access Services'. The Costco logo and 'KIRKLAND' branding are also present.

Step 1: Provide Prescription Info

Members will need to provide the details of their prescription when ordering:

- Physician information and how the prescription will be provided (mailed or faxed into the pharmacy).
- The Prescription drug name and if the member wants it filled with generic or brand.
- Choose their shipping method for their order.
- If any special requests are needed, the member may provide it in the comment box at the bottom of the page.

Reordering a Refill Online

On the Home Delivery main page members need to click “Refill Prescriptions”

In this section:

- Select Refills
- Review refill Order
- Confirmation Page

The screenshot shows the Costco Home Delivery website interface. At the top, there is a banner for 'Home Delivery' with the text 'Fill your prescription online and have it delivered to your home' and a 'Get Started >' button. To the right of the banner is a 'Manage Prescriptions' menu with four options: 'Fill New Prescriptions', 'Refill Prescriptions' (highlighted with a red circle), 'Prescription Status', and 'Transfer from Warehouse'. Below the banner are several promotional tiles: 'Full Service Travel Immunization Program', 'Auto-Refill Program', 'The Path to a Healthy Heart', and 'Medicare Plan Finder'. Further down are 'Warehouse Pickup' and 'Customer Service' sections. At the bottom, there are four more tiles: 'CDIABETES.com', 'Health & Wellness Clinics', 'Pet Medications', and 'Patient Access Services'. A red arrow points from the 'Refill Prescriptions' button to the 'Home Delivery' banner.

Step 1: Select Your Refills

A member may select a prescription (that has been shipped at least once) they would like refilled from their refill page once logged in.

Members have the option to add a prescription to our Auto-Refill Program per an email notification they will receive and need to consent to prior to shipping.

Again, please allow 1-4 business days for processing, and the processing time may vary if a refill authorization is required, delays due to insurance approval, or payment.

Refill Prescriptions

1. Profile > 2. Prescription Info > 3. Confirm

The following prescriptions are available for refill, subject to the approval of your physician. Use the [Manage Inactive Prescriptions](#) link to organize your prescriptions in groups under active or inactive status depending on how frequently they are used. Visit the [Prescription Auto Refill Program](#) help page for more information about setting up an auto refill.

If you wish to make changes to quantity, strength, or directions for any medication, please request a [New Prescription](#).

Auto Refill Program

- Before each auto-refill is processed an email is sent to the member for their consent.
- Members must click the “Yes, Refill Prescription” button (within 72 hours) to start the refill process. If they do not, the refill will not be placed and will be removed from auto-fill.
- Refill, and auto refill, email notifications are sent (approximately) 65 days into a 90 day supply fill.
- Members order(s) are charged to their saved payment type to reduce any delays.
- The auto-refill program assists members with being less likely to run out of their maintenance drugs and stay on track with their medications.

Prescription Auto Refill Program

To ensure you will never run out of your medication, Costco Online Pharmacy will regularly fill and ship your medications to you. You will never need to request a refill again.

To set up individual prescriptions for Auto Refill you click the on and off button in the Auto Refill column to turn Auto Refills on and off by prescription. This can be done while on [Refill Prescription page](#) or [Prescription Status page](#).

What to expect on Auto Refill?

Before each refill is processed in our system, an email will be sent to you for final confirmation. You will have 72 hours to check the consent, "Yes, Refill Prescription" button to start the refill process. If you do not respond with a consent via email or by phone within 72 hours, your auto refill prescription will be disenrolled from the auto refill program and will not ship. To reactivate the auto refill at a later date, please visit [Prescription Status page](#) or [Refill Prescription page](#). A valid credit card must be on file to use this service. Please note auto refills will not be available for controlled substance medications and non-maintenance medications.
