

Special Beginnings[®]

Give your baby a healthy start.

It is never too early to start taking care of your baby. That's why you should join the Special Beginnings program as soon as you know you are pregnant.

The Special Beginnings maternity program supports you from early pregnancy until six weeks after delivery. An experienced Blue Cross and Blue Shield of Texas staff member will contact you and:

- Ask you questions to determine what support you will need
- Send you information, including a book about having a healthy pregnancy and baby
- Answer any questions you have and help you plan your care with your doctor
- Assist you with managing high-risk conditions such as gestational diabetes and preeclampsia

Visit the Special Beginnings website to view a video library and week-by-week pregnancy information. To access the site, log into Blue Access for MembersSM (BAMSM) by visiting bcbstx.com and click on the "My Health" tab.
