October 15, 2025

The following information is being provided to clarify the proposal requirements and address questions received as of this date:

### Questions:

- The evaluation criteria in Section 2.6 on RFP p. 19 allots 25% to FINANICAL PROPOSAL. Will the County evaluate both rates charged to paying parties and commissions/revenue share paid to the County? How many points will be allocated to commissions and how many to rates? Will one be valued more highly than the other?**

**Answer:** Hunt County will evaluate the *overall financial value* of each proposal—including call rates and commission/revenue share—as a combined element under the 25% Financial Proposal category. No separate point split is assigned; both components will be weighed together to determine the best value to the County in accordance with Texas Local Government Code §262.027 (e).
