SPECIAL REQUIREMENTS/INSTRUCTIONS
FORMAL BID # 262-25; ASPHALT HOT & COLD CONTRACT TWELVE (12) MONTHS

5. Conflict of Interest Questionnaire:

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale of or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflicts of interest disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) must be submitted not later than the seventh (7th) business day after the date the vendor begins discussion, negotiation, applies or response to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

6. Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law.

Filing Process:

On January 1, 2016, the commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

The governmental entity or state agency must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity or state agency.

Information regarding how to use the filing application will be available on this site by January 1, 2016. Please follow Instructional Video for Business Entities at

SPECIAL REQUIREMENTS/INSTRUCTIONS
FORMAL BID # 262-25; ASPHALT HOT & COLD CONTRACT TWELVE (12) MONTHS

7. Changes to Form 1295

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete the unsworn declaration.

What type of contracts are exempt from the Form 1295 filing requirement under the amended law?

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education;
- an interagency contract of a state agency or an institution of higher education;
- a contract related to health and human services if; the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract;
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, *
- a contract with an electric utility, as the term is defined by Section 31.002, Utilities Code*or
- a contract with a gas utility, as the term is defined by Section 121.001, Utilities Code*

The newly exempt contract types are marked with an asterisk.

Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?

In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unworn declaration, including the date of birth and address of the signatory replaced the notary requirement that applied to contracts entered into before January 1, 2018.

Will my date of birth and address appear on TEC’s website then I file the form?

No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.
