PRESS RELEASE

FOR IMMEDIATE RELEASE

From: Hunt County Judge

Date: 9/28/2020, 9:30PM

Re: 30 New Positive COVID-19 Test Results in Hunt County, and One New Death

30 new positive test results for COVID-19 have been reported in Hunt County, along with one new death. The Hunt County Health Department completed an initial investigation and determined that the individuals in question reside in Hunt County. The general information for the 30 new patients is below. Hunt County will include up-to-date hospital numbers in the morning report.

The new cases from today are in the following general areas: Greenville 75401 – 10; Greenville 75402 – 10; Commerce 75428 – 3; Royse City 75189 – 2; Quinlan 75474 – 2; Wolfe City 75496 – 1; Caddo Mills 75135 – 1; and Campbell 75422 – 1.

The death was Tracked Case #1549, a 50-64 year-old male from Greenville, 75401.

Each morning, the County will release and post on its website a new set of numbers and charts showing the total number of cases, including the status and ZIP Codes of those cases. The state's website includes a map which may be accessed at "dshs.state.tx.us/coronavirus" by clicking on the "Texas Case Counts" link.

The State's COVID-19 fatality numbers exceed the locally-reported numbers of deaths. The State's reporting can be accessed by clicking on "Fatalities over Time by County" on www.dshs.state.tx.us/coronavirus/additionaldata. As of this evening, the state shows 36 COVID-19 fatalities of Hunt County residents. This divergence is due to the way the State calculates COVID-19 deaths, which in part uses death certificate information not yet available to the County. When Hunt County releases its morning reports, it will show the number of State-reported deaths (36), the number of deaths certificates filed with the County (including non-citizen deaths) (33), and the number of County-citizen deaths that the County Health Department has been able to independently confirm (26).

It has been reported that there are a number of COVID-19 positive cases at the campuses of Texas A&M at Commerce. Information related to those case can be accessed at new.tamuc.edu/coronavirus.

New Hunt County COVID-19 Tracked Cases, as of 9:00pm September 28, 2020: “RAH” means “Recovering at Home,” “HOSP” means “Hospitalized,” “(R)” Means “Reassigned,” and “DECD” means “Deceased.”
