Re: New Positive COVID-19 Test Result in Hunt County

One new positive test result for COVID-19 has been reported in Hunt County. The Hunt County Health Department completed an initial investigation and determined that the individual in question resides in Hunt County. The general information for the patient is as follows:

Tracked Case #54 – Female, aged 18-30, ZIP Code 75474, recovering at home.

This will replace the previous Tracked Case #54 reported yesterday (Female, aged 50-64, ZIP Code 75189). After additional investigation, contact tracers with the County Health Department determined that specific individual no longer resides in Hunt County. Her case has been transferred to Dallas County for monitoring, and the relevant state and local agencies have been notified.

Each morning, the County will release and post on its website a new set of numbers and charts showing the total number of cases, including the status and ZIP Codes of those cases. The state's website includes a map which may be accessed at "[dshs.state.tx.us/coronavirus](https://dshs.state.tx.us/coronavirus)" by clicking on the "Texas Case Counts" link.
